

Remarks

The title has been amended to conform to the title published with the PCT Application (WO 2004/001786).

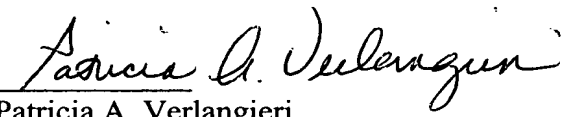

The specification has been amended to include a reference to the priority applications.

Claims 1-36 are currently amended to remove multiple dependencies and reference indicia; and to meet the requirements of the United States Patent and Trademark Office.

To meet the requirements of the United States, the Abstract (as amended in the International Search Report and published in the PCT application) is added. Reference indicia have been deleted.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832

Respectfully submitted,
Laurent Tessier
